2. What information we collect

When you register and use the platform, we may collect the following data:

- e-mail address
- password (encrypted)
- country of origin
- company name
- department

We do not collect or store any sensitive personal data (e.g. health data, ethnic origin, religion).

3. Why we collect your data

We process your data for the following purposes:

- To create and manage your user account
- To personalize your user experience on the platform
- To track your activity for progress
- To fulfil our reporting duties to the Erasmus+ programme (only anonymised data)

4. Legal basis for processing

Your personal data are collected based on:

- Consent (when you create an account)
- Legitimate interest (to operate and improve a self-assessment control tool)

You can withdraw your consent at any time by deleting your account or contacting us.

5. Data sharing

We do not sell or share your personal data with third parties. Your data may be shared only within the BEHEALTH project consortium, strictly for internal reporting and platform improvement. The data are always anonymised and are in aggregated form.

6. Data storage and security

Your data are stored securely on servers within the EU. Passwords are encrypted.

We implement technical and organizational measures to protect your data.

We retain your data as long as your account is active or until the end of the project (max. 5 years).

7. Your rights (under GDPR)

You have the right to:

- Access your data
- Correct inaccurate data
- Delete your data
- Withdraw your consent any time
